Directors' Report

The Board of Directors of Punjab Modaraba Services (Pvt.) Limited, the Management Company of First Punjab Modaraba (the Modaraba), is pleased to present half yearly results of the Modaraba, together with Directors' report, for half year ended December 31, 2020.

According to State Bank of Pakistan, the economy started to regain its pre-Covid trajectory in the first quarter of FY21 by virtue of notable pickup in economic activity, traction in large-scale manufacturing, encouraging growth in demand indicators, major Kharif crops exceeding their respective production targets, services sector showing buoyancy and external and fiscal sector indicators improving as well. However, owing mainly to food prices, national CPI inflation remained on the high side.

Real GDP growth is projected to be in the range of 1.5 to 2.5 percent in FY21. This is based on the current trends of economic activity. However, downside risk to this projection includes the second wave of Covid19. Given the spare capacity in the industrial sector, high base effect and actions being taken to correct the supply side issues in the food market, upside risks to the inflation outlook are largely contained.

The recovery in economic conditions reflected in performance of the Modaraba. The significant decrease of 48% in financial cost more than compensated the reduction of 35% in revenues emanating from adverse impact of COVID19. The slight increase in administrative cost was also absorbed by the improved yield. On net basis, positive bottom line of Rs.1.110 million was recorded for the period under review as compared to profit of Rs.1.673 million in corresponding period.

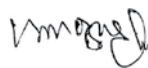

Going forward, the strategy of growth in business by booking of fresh assets on a cautious note will be the mainstay. The recovery from NPAs through litigation as well as out of court settlements will be the other top primacy. The SECP has granted approval to amend prospectus of the Modaraba in order to undertake real estate activities. The wholly owned subsidiary, i.e. Punjab Capital Securities (Pvt) Limited earned profit of Rs.2.915 million during the six months.

The Board is extremely grateful for the continuous guidance and support extended by the Registrar Modaraba, Securities & Exchange Commission of Pakistan and expects to be its beneficiary in coming times as well. The Board also appreciates the patronage extended by the certificate holders.

For and on behalf of the Board of Directors

ڈائریکٹرز کی رپورٹ

فرسٹ پنجاب موداربا کی انتظامی کمیٹی، پنجاب موداربا سروسز (پرائیویٹ) لمیٹڈ کے بورڈ آف ڈائریکٹرز 31 دسمبر 2020 کو ختم ہونے والے نصف سالانہ کے نتائج کو ڈائریکٹرز کی رپورٹ کے ساتھ مسرت کے ساتھ پیش کرتے ہیں۔

اسٹیٹ بینک آف پاکستان کے مطابق، معاشی سرگرمی میں قابل ذکر اٹھاؤ، بڑے پیمانے پر مینوفیکچرنگ میں اضافہ، طلب کے اشارے میں حوصلی افزائی، خریف کی بڑی فصلوں میں اہداف سے زیادہ پیداوار، خدمات کے شعبہ میں جوش و خروش اور بیرونی اور مالیاتی شعبے کے اشارے میں بہتری کی وجہ سے مالی سال 2021 کی پہلی سہ ماہی میں معیشت نے اپنے COVID-19 سے پہلے کے راستے کو دوبارہ حاصل کرنا شروع کیا۔ تاہم بنیادی طور پر اشیائے خورد و نوش کی قیمتوں کی وجہ سے قومی سی پی آئی کی افراط زر کی شرح اونچی رہی۔

مالی سال 2021 میں جی ڈی پی کی حقیقی نمو 1.5 سے 2.5 فیصد تک متوقع ہے۔ یہ معاشی سرگرمی کے موجودہ رجحانات پر مبنی ہے۔ تاہم، اس پروجیکشن کے منفی پہلو میں COVID-19 کی دوسری لہر کا خطرہ شامل ہے۔ صنعتی شعبے میں اضافی صلاحیت کے پیش نظر اور اعلیٰ بنیادی اثر اور اشیائے خورد و نوش میں رسد کے معاملات کو درست کرنے کے لئے اٹھائے جانے والے اقدامات کے باعث افراط زر کی شرح برقرار رکھی گئی ہے۔

معاشی سرگرمیوں میں بحالی مضاربہ کی کارکردگی سے ظاہر ہوتی ہے۔ مالی لاگت میں 48 فیصد کمی نمایاں کی COVID-19 کے منفی اثر سے ہونے والی آمدنی میں 35 فیصد کمی کی تلافی کی۔ انتظامی لاگت میں معمولی اضافہ بھی بہتر پیداوار کی وجہ سے جذب ہوا۔ خالص بنیاد پر زیر جائزہ مدت کے لئے 1.110 ملین روپے کاشت متنازع ریکارڈ کیا گیا۔

آگے بڑھتے ہوئے محتاط طریقے سے تازہ اثاثوں کی بگنگ کر کے کاروبار میں اضافے کی حکمت عملی بنیادی ہوگی۔ قانونی چارہ جوئی کے ساتھ ساتھ عدالت سے باہر بھی نادر ہندگان سے بازاریابی اولین ترجیح ہوگی۔ اس کے ساتھ ساتھ اعلیٰ آمدنی کے سلسلے کو شامل کرنے کے خیال کے ساتھ کاروباری ڈھانچے کی تنوع پر بنیادی غور رہے گا۔ سیکورٹی اینڈ اینڈیکسنگ کمیشن نے رینل اسٹیٹ کے کاروبار کے لئے پراسپیکٹس میں تبدیلی کی اجازت دیدی ہے۔ پوری ملکیت میں ذیلی ادارہ پنجاب کمپیوٹل سیکورٹیز (پرائیویٹ) لمیٹڈ نے اس چھ ماہ کے عرصے کے دوران 29 لاکھ روپے کا منافع حاصل کیا۔

بورڈ، رجسٹرار موداربا اور سیکورٹیز اینڈ ایکسچینج کمیشن آف پاکستان کی جانب سے دی گئی مستقل رہنمائی اور مدد کے لئے شکر گزار ہے اور مستقبل میں بھی اس سے مستفید ہونے کی توقع کرتا ہے۔ بورڈ، اپنے سٹیفیکٹ ہولڈرز کی جانب سے دی گئی سرپرستی کے لئے بھی شکر گزار ہے۔

Independent Auditors' Review Report to the Certificate Holders of First Punjab Modaraba

Report on Review of Un Consolidated Interim Financial Satatment

Introduction

We have reviewed the accompanying unconsolidated condensed interim balance sheet of First Punjab Modaraba as at 31 December 2020 and the related unconsolidated condensed interim statement of profit and loss, unconsolidated condensed interim statement of comprehensive income, unconsolidated condensed Interim statement of changes in equity, unconsolidated condensed interim cash flow statement, and notes to the unconsolidated condensed interim financial statements for the six month period ended (here-in-after referred to as the "unconsolidated condensed interim financial statements"). Management is responsible for the preparation and presentation of these unconsolidated condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these unconsolidated condensed Interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of unconsolidated condensed interim financial statements consists of making Inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying unconsolidated condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other matters

The figures of the unconsolidated condensed interim statement of profit and loss and unconsolidated condensed interim statement of comprehensive income for the quarter ended 31 December 2020 and 31 December 2019 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended 31 December 2020.

The engagement partner on the review resulting in this independent auditor's report is Farooq Hameed.

NOTES TO THE UNCONSOLIDATED CONDENSED INTERIM FINANCIAL STATEMENTS

For the six months ended 31 December 2020

1 Status and nature of business

First Punjab Modaraba (the Modaraba) was formed under the Modaraba Companies and Modaraba (Flotation and Control) Ordinance, 1980 and rules framed there under and is managed by Punjab Modaraba Services (Private) Limited (wholly owned subsidiary of The Bank of Punjab), a company incorporated in Pakistan. The registered office of the Modaraba is situated at 3rd floor, National Tower, Egerton Road, Lahore. The Modaraba commenced its operations on 23 December 1992. The Modaraba is listed on Pakistan Stock Exchange.

The Modaraba established its wholly owned subsidiary on November 29, 2016 as a private limited Company under the name of Punjab Capital Securities (Pvt) Limited. The registered office of Punjab Capital Securities (Pvt) Limited is situated at 3rd Floor, LSE Plaza, 19-Khayabane Aiwane Iqbal, Lahore. The Company is mainly engaged in the business of brokerage services, portfolio management and consultancy services.

The Modaraba is a perpetual and multi-dimensional Modaraba and is primarily engaged in the business of Ijarah, Musharikhah and Morabaha financing, equity investment and other related businesses in accordance with the injunctions of Islam.

These condensed financial statements are the separate condensed financial statements of the Modaraba in which investments in subsidiary are accounted for on the basis of direct equity interest rather than on the basis of reported results. Consolidated condensed financial statements are prepared separately.

1.1 Management's Assessment of Going Concern

In assessing the going concern status of the Modaraba, management has carefully assessed number of factors covering the performance of the business, business prospects and appetite of majority shareholder to continue financial support. Based on the analysis of these, management is comfortable that the Modaraba will be able to continue as a going concern in the foreseeable future.

During the period ended 31 December 2020, the Modaraba has made profit after tax of Rs. 1,110,098, however the accumulated losses, net of reserves, as at 31 December 2020 amount to Rs. 201,791,670 (June 2020: Rs.202,901,768) which exceeds fifty percent of the total amount subscribed by the holders of the Modaraba Certificates. Further the current liabilities of the Modaraba exceed its current assets by Rs.38,220,141 as at 31 December 2020.

In order to address going concern issue in terms of section 23 of the Modaraba Companies and Modarabas (Flotation and Control) Ordinance, 1980 (the Modaraba Ordinance), The Bank of Punjab (BOP) being the parent company of the Modaraba's Management Company' has planned to extend its due support in terms of capital injection. Further, BOP has confirmed that it shall continue to provide financial support to the Modaraba in order to mitigate the liquidity risk. On 13 January 2021, the SECP has granted approval to initiate real estate activities for which the modaraba has to submit amended prospectus and obtain prior written approval of the Registrar Modaraba before undertaking the business of Real Estate. The approval in respect of capital injections from BOP is in process.

On the basis of support and the arrangements as outlined above and the business plan prepared by the management which has been approved by the Board of Directors, the management is of the view that no material uncertainty exists related to events or

First Punjab Modaraba

conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern and the Modaraba shall be able to operate on going concern basis in the foreseeable future. Consequently, these condensed interim financial statements have been prepared reflecting these assumptions.

1.1 Impact of COVID-19 on Financial Statements

During the year, the COVID – 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. The World Health Organization (WHO) has declared COVID-19 a global pandemic. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

COVID-19 has adversely impacted modaraba on a number of fronts including increase in overall credit risk pertaining to the Islamic financing, disruption in growth due to slowdown in economic activity, continuity of business operations and managing cybersecurity threat as a significant number of the modaraba's staff is working from home.

Due to overall uncertain situation about the impacts and duration for which such a situation will continue, the overall impact on the modaraba's financial position and financial performance cannot be predicted with reasonable certainty.

In view of the relaxation provided by SECP for deferral of Principal and restructuring of loan, the Modaraba has rescheduled some of its Musharakah and Ijarah with its customers on the basis of written request of the customers which had no material impact on the carrying amounts of assets and liabilities or item of income and expenses as required under the relevant accounting and reporting standards, that require specific disclosure in the financial statements.

2 Basis of preparation

These unconsolidated condensed interim financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Ordinance, 1984, the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and the directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and the directives issued by SECP differ with the requirements of IFRSs or IFAS, the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 or the directives issued by the SECP prevail.

These un-audited unconsolidated condensed interim financial statements of the Modaraba for the period ended 31 December 2020 have been prepared in accordance with the requirements of the International Accounting Standard (IAS) - 34 " Interim Financial Reporting". These unconsolidated condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published financial statements of the Modaraba for the year ended 30 June 2020.

These unconsolidated condensed interim financial statements are being submitted to the certificate holders as required under the Rule 10 of Modaraba Companies and Modaraba Rules, 1981.

3 Significant accounting policies

The accounting policies and methods of computation adopted in the preparation of these unconsolidated condensed interim financial statements are the same as those applied in the preparation of the financial statements for the year ended 30 June 2020, except as follows:

New amendments

The Company has adopted the following amendments of IFRSs which became effective for the current period:

IFRS 3- Uncertainty over Income Tax Treatments

IAS 1 and IAS 8 - Prepayment Features with Negative Compensation – (Amendments)

IFRS 9, IAS 39
and IFRS 7 - Long-term Interests in Associates and Joint Ventures – (Amendments)

The adoption of the above standards, amendments and improvement to accounting standards and interpretations did not have any effect on the interim condensed financial statements.

4 Significant accounting estimates and judgements

The preparation of these unconsolidated condensed interim financial statements require management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates. The significant judgements made by management in applying the Modaraba's accounting policies and the key sources of estimation were the same as those that were applied to the financial statements for year ended 30 June 2020.

Notes to the Consolidated Financial Information (Un-audited)

For the six months ended December 31, 2020

1 THE GROUP AND ITS OPERATIONS

1.1 The "Group" Consist of :

Parent

- First Punjab Modaraba

Subsidiary Company	Percentage of holding	
	Dec-2020	June-2020
Punjab Capital Securities (Pvt.) Limited	100%	100%

First Punjab Modarba (the Modaraba) was formed under the Modaraba Companies and Modaraba (Flotation and Control) Ordinance, 1980 and rules framed there under and is managed by Punjab Modaraba Services (Private) Limited (wholly owned subsidiary of The Bank of Punjab), a company incorporated in Pakistan. The registered office of the Modaraba is situated at 3rd floor, National Tower, Egerton Road, Lahore. The Modaraba commenced its operations on 23 December 1992. The Modaraba is listed on Pakistan Stock Exchange.

The Modaraba is a perpetual and multi-dimensional Modaraba and is primarily engaged in the business of Ijarah, Musharikah and Morabaha financing, equity investment and other related businesses in accordance with the injunctions of Islam.

Punjab Capital Securities (Private) Limited

The Punjab Capital Securities (Private) Limited ("the Company") is registered under the repealed Companies Ordinance, 1984 (which is replaced by Companies Act 2017) as a company limited by shares on the 29th day of November 2016. The Company is mainly engaged in business of brokerage services, portfolio management and consultancy services. The registered office of the Company is situated at Room No 319, 3rd Floor, Lahore stock exchange (LSE) Building, Lahore.

2 Basis of preparation

The Group Financial Statements include the Financial Statements of the Modaraba and its subsidiary.

Subsidiary are fully consolidated from the date on which control is transferred to the Modaraba. They are deconsolidated from the date that control ceases. The financial statements of subsidiary have been consolidated on line by line basis. All significant inter-company transactions, balances, income and expenses on transactions between group companies are eliminated. Profits and losses resulting from inter-company transactions that are recognized in assets are also eliminated.

The Modaraba applies the acquisition method to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. The Modaraba recognizes any non-controlling interest in the acquiree on an acquisition- by-acquisition basis, at the non-controlling interest's proportionate share of the recognized amounts of acquiree's identifiable net assets. The Financial Statements of the Modaraba and its subsidiary are prepared upto the same reporting date using consistent accounting policies.

Any contingent consideration to be transferred by the Modaraba is recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration that is deemed to be an asset or liability is recognized either in profit or loss or as a change to other

comprehensive income. Contingent consideration that is classified as equity is not remeasured, and its subsequent settlement is accounted for within equity.

Goodwill, if any, is initially measured as the excess of the aggregate of the consideration transferred and the fair value of non-controlling interest over the net identifiable assets acquired and liabilities assumed. If this consideration is lower than the fair value of the net assets of the subsidiary acquired, the difference is recognized in income statement. After initial recognition, is measured at carrying value i.e. cost at the date of acquisition less any accumulated impairment.

Transactions with non-controlling interests that do not result in loss of control are accounted for as equity transactions – that is, as transactions with the owners in their capacity as owners. The difference between fair value of any consideration paid and the relevant share acquired of the carrying value of net assets of the subsidiary is recorded in equity. Gains or losses on disposals to non-controlling interests are also recorded in equity.

When the Modaraba ceases to have control any retained interest in the entity is re-measured to its fair value at the date when control is lost, with the change in carrying amount recognized in profit or loss. The fair value is the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in other comprehensive income in respect of that entity are accounted for as if the Modaraba had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in other comprehensive income are reclassified to profit or loss.

2.1 Management's Assessment of Going Concern

In assessing the going concern status of the Modaraba (the parent Company), management has carefully assessed number of factors covering the performance of the business, business prospects and appetite of majority shareholder to continue financial support. Based on the analysis of these, management is comfortable that the Modaraba will be able to continue as a going concern in the foreseeable future.

During the period ended 31 December 2020, the group has made profit after tax of Rs. 4,026,073, however the accumulated losses, net of reserves, as at 31 December 2020 amount to Rs. 206,145,653 (June 2020: Rs.210,171,726) which exceeds fifty percent of the total amount subscribed by the holders of the Modaraba Certificates. Further the current asset of the Modaraba exceed its current liabilities by Rs.4,271,097 as at 31 December 2020.

In order to address going concern issue in terms of section 23 of the Modaraba Companies and Modarabas (Flotation and Control) Ordinance, 1980 (the Modaraba Ordinance), The Bank of Punjab (BOP) being the parent company of the Modaraba's Management Company' has planned to extend its due support in terms of capital injection. Further, BOP has confirmed that it shall continue to provide financial support to the Modaraba in order to mitigate the liquidity risk. On 13 January 2021, the SECP has granted approval to initiate real estate activities for which the modaraba has to submit amended prospectus and obtain prior written approval of the Registrar Modaraba before undertaking the business of Real Estate. The approval in respect of capital injections from BOP is in process.

On the basis of support and the arrangements as outlined above and the business plan prepared by the management which has been approved by the Board of Directors, the management is of the view that no material uncertainty exists related to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern and the Modaraba shall be able to operate on going concern basis in the foreseeable future. Consequently, these condensed interim financial statements have been prepared reflecting these assumptions.

2.2 Impact of COVID-19 on Financial Statements

During the year, the COVID – 19 pandemic has taken a toll on all economies and emerged as a contagion risk around the globe, including Pakistan. The World Health Organization (WHO) has declared COVID-19 a global pandemic. To reduce the impact on businesses and economies in general, regulators / governments across the globe have introduced a host of measures on both the fiscal and economic fronts.

COVID-19 has adversely impacted modaraba on a number of fronts including increase in overall credit risk pertaining to the Islamic financing, disruption in growth due to slowdown in economic activity, continuity of business operations and managing cybersecurity threat as a significant number of the modaraba's staff is working from home.

Due to overall uncertain situation about the impacts and duration for which such a situation will continue, the overall impact on the modaraba's financial position and financial performance cannot be predicted with reasonable certainty.

In view of the relaxation provided by SECP for deferral of Principal and restructuring of loan, the Modaraba has rescheduled some of its Musharakah and Ijarah with its customers on the basis of written request of the customers which had no material impact on the carrying amounts of assets and liabilities or item of income and expenses as required under the relevant accounting and reporting standards, that require specific disclosure in the financial statements.

2.3 Basis of preparations

These consolidated condensed interim financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Ordinance, 1984, the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and the directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and the directives issued by SECP differ with the requirements of IFRSs or IFAS, the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 or the directives issued by the SECP prevail.

These un-audited consolidated condensed interim financial statements of the Modaraba for the period ended 31 December 2020 have been prepared in accordance with the requirements of the International Accounting Standard (IAS) - 34 " Interim Financial Reporting". These unconsolidated condensed interim financial statements do not include all the information and disclosures required in a full set of financial statements and should be read in conjunction with the annual published financial statements of the Modaraba for the year ended 30 June 2020.

These consolidated condensed interim financial statements are being submitted to the certificate holders as required under the Rule 10 of Modaraba Companies and Modaraba Rules, 1981.

3 Significant accounting policies

The accounting policies and methods of computation adopted in the preparation of these consolidated condensed interim financial statements are the same as those applied in the preparation of the financial statements for the year ended 30 June 2020, except as follows:

New amendments

The Company has adopted the following amendments of IFRSs which became effective for the current period:

IFRS 3	-Uncertainty over Income Tax Treatments
IAS 1 and IAS 8	-Prepayment Features with Negative Compensation – (Amendments)
IFRS 9, IAS 39 and IFRS 7	-Long-term Interests in Associates and Joint Ventures – (Amendments)

The adoption of the above standards, amendments and improvement to accounting standards and interpretations did not have any effect on the interim condensed financial statements.

4 Significant accounting estimates and judgements

The preparation of these consolidated condensed interim financial statements require management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates. The significant judgements made by management in applying the Modaraba's accounting policies and the key sources of estimation were the same as those that were applied to the financial statements for year ended 30 June 2020.
